**From the Principal***Mr. Richard E. Fairley*

I want to take this opportunity to thank everyone for a very successful 2010-11 school year. It has been great to see the positive morale and spirit that has been exhibited around campus. We trust that everyone is enjoying a much deserved summer break and hope that you are finding opportunities to share quality time with your families. We are busy here at school preparing for the 2011-12 school year. Every year brings change, and this year will be no different. We are pleased to announce that the following new staff will be joining the Goretti Family next year.

Replacing Mr. Miller as Director of Communications, Development, and Alumni Relations is Mrs. Kerri Sacchet Corderman, Class of 1998. Kerri received her undergraduate degree in Mass Communications from Towson University and recently completed her Master's degree from the University of Maryland in Community Planning. Most recently, Kerri has been working in Baltimore as a Senior Public Involvement Specialist for McCormick Taylor, Inc. where she was responsible for marketing, community outreach, and publications. Prior to her time at McCormick Taylor, Kerri was Public Relations Coordinator for IMPACT Marketing & Public Relations in Ellicott City. Kerri comes to us with considerable marketing and public relations experience, and she is extremely excited to be back in the Goretti Family and is looking forward to re-connecting with many of her fellow alums. Kerri and her husband, John, are in the process of relocating back to the Hagerstown area which will bring them closer to their families.

Replacing Barbara Brower as Director of Admissions and Marketing is Mrs. Holly Katrina. Holly has most recently been employed at Corpus Christi School in Chambersburg, PA as a classroom teacher. Holly received her undergraduate degree in Education from Millersville University and has completed graduate work at Shippensburg University as well as the University of Pennsylvania. Holly has been involved in education for the past 25 years and will bring a wealth of experience to the position. While at Corpus Christi, Holly has served as the Chairperson of the Math Department and a member of the Middle States Accreditation Committee. Holly will be familiar to many of you as the mother of Drew, Class of 2014, and Jenna, Class of 2015. Holly lives in Greencastle with her husband, Mark.

Joining our History Department is Mrs. Genie Massey. Genie has been teaching AP U.S. History and US History and Government at North Hagerstown H.S. Genie received her undergraduate degree in History from Randolph-Macon Women's College and earned her Master of Arts in Teaching from Johns Hopkins University. Genie will be teaching A.P. European History, Honors U.S. History and will be the teacher and coach of the We the People team. In addition to her teaching duties, Genie will be assisting Mrs. Pratt as a moderator for the National Honor Society. Outside of teaching, Genie has been very involved in the Hagerstown community as a past member of the Sunrise Rotary Club, the Women's Giving Circle, and the MOMS Club of Hagerstown, where she served as President.

This year, we are thrilled to have two young people from the Operation TEACH program who will be with us at St. Maria Goretti. Operation TEACH is a collaborative effort between the Archdiocese of Baltimore and the College of Notre Dame of Maryland. The teachers in this program live together in community while fulfilling a two-year minimum commitment to teach in a Catholic school. The teachers take classes in methods and educational pedagogy as they assume their duties as classroom teachers. In this manner, their two-year service commitment is grounded in a teacher preparation program that culminates typically in a Masters Degree in Education and initial licensure. Our two Operation TEACH staff this year will be living in a community with others who are in the program, and they will be housed in the old convent at Visitation Academy in Frederick. We are very pleased to be a supporter of this program. Initiatives such as this are important if we are to continue to have qualified young people who want to commit to the mission of teaching in our Catholic schools.

Our first Operation TEACH instructor is Mr. Ryan Hellem, who will be joining our History and Religion departments. Ryan is somewhat unique to this program in that he already has two years of teaching experience in a Catholic high school. Ryan received his B. A. Magna Cum Laude in Political Science from the University of Nebraska, Kearney. Ryan has spent the last two years teaching AP European History, Economics, and Government at Mount Michael Benedictine High School in Elkhorn, Nebraska. In addition to his teaching duties, Ryan was the moderator of the school's Harvard Model Congress group, and he was head boys soccer coach as well.

***From the Principal (cont'd)***

Our second Operation TEACH instructor is Miss Thanh Tran. Thanh (whose name is pronounced "Tyne") is a 2011 graduate of Yale University who is a native of San Antonio, Texas. Thanh graduated this spring with a B.A. in Classics with a special focus in Latin. While at Yale, she was a member of the National Senior Classical League and was the Senior Editor of the *Helicon*, which is the Yale Undergraduate Classics journal. In addition, Thanh was the captain and social chair for the Yale Road Running Club.

Mr. Thomas Chatfield will be joining the staff as a full-time Athletic Trainer as well as teaching two sections of Biology CP. Thomas is a product of the very well respected Towson University Athletic Training program, receiving his Bachelor of Science degree. During his time at Towson, Thomas worked with the football, women's basketball and men's lacrosse programs, among others. This past year, he worked as an intern at McDonogh School in Baltimore. In addition to his Bachelor's degree from Towson, Thomas is a certified as a CPR/AED Professional Rescuer and is as a member of the National Athletic Trainers Association. Thomas is a resident of Frederick.

We extend a very warm welcome to all of our new staff as they join the Goretti Family.

**INDEPENDENCE DAY****JULY 4, 2011**

Please remember in your prayers all those heroes, women and men, who have served our country in the past and present, and those who will commit to serve in the future. The honor of service to God, country, and family is shared by many families and friends.

**We thank you and salute you!**

***From the Vice Principal***

*Mrs. Bridget Keenan-Bartholomew*

Summer is here! Many of us may be thinking that the school year could not possibly have ended so quickly, but it is time to be thinking of next year already. On that note, we have some important information to share.

The Summer Reading List has been posted on the school webpage. Please note that these books will be available to purchase at our online bookstore, <http://goretti.bkstr.com>, by mid-June. The Fall Booklist also is in the process of being finalized, and it will be posted on the website soon. These texts will be available for purchase as well at the online bookstore beginning in mid-July.

We will be using a new uniform vendor this year, Rose Uniforms. Rose Uniforms will be holding an on-site sale on August 9 from 4 pm—7 pm. If you wish to pre-order your items, Rose Uniforms can deliver them to you at the sale. Any items that are not available on the day of the sale will be shipped to your home free of charge. For students who anticipate needing some assistance with ordering or special sizing, please contact Rose Uniforms prior to the sale by phone at 800-527-4689, or online at [www.roseuniforms.com](http://www.roseuniforms.com). Please note that students may still wear items previously purchased from Flynn & O'Hara as long as those uniforms comply with the current uniform code.

Have a safe and blessed summer!

*Mrs. Debra Rosinski, Director of Guidance*  
*Mrs. Theresa Kline, Assistant*

**Graduates:** Congratulations on successfully completing high school. We thank you for all your hard work in the college application and decision process. We wish you the best of luck in college and encourage you to stay in touch. Our hopes and prayers are with you.

**Class of 2012 Seniors:** Please remember to begin work on your responsibilities over the next few months so you are prepared to start the college process in September! This is in reference to the worksheet mailed to you in a school packet last week.

**Seniors, Juniors and Sophomores:** Just as a reminder, if your schedule needs to be changed please contact the guidance office as soon as possible. Course availability and staffing are directly impacted by these choices, so it is imperative that students and parents understand that requests for schedule changes in the summer or at the beginning of the academic year can rarely be honored.

**Have a wonderful and safe summer.**

### Mission Trip 2011

Due to increased interest in the summer Mission Trip, we have taken two separate groups of students on trips this summer. The first group left on June 12, for Philadelphia, PA, with a total of 25 youth and 5 adults attending. When they returned, our second group left on Sunday, June 19, for Lancaster, PA. A total of 11 youth and 2 adults attended the second trip. I am also happy to share that St. Mary's and St. Ann's Churches sent youth and their pastors (Fr. Collin Poston and Fr. Martin Nocchi) on the trips. Thus, we have a great deal of collaboration in the Hagerstown Catholic community. Both groups worked with Catholic Heart Work Camp, an organization that sponsors a large camp for about 300 people to work on various activities serving and helping people throughout the sponsor-city. The students were very excited about this week-long experience. Thank you for keeping all of us in your prayers.

# NEED A RIDE TO SCHOOL???? GET ON THE "CAR POOL WANTED" LIST!

Even though we will have Goretto buses to & from Frederick, Martinsburg/Shepherdstown & Chambersburg areas, you may still need a car pool.

So, as a courtesy to our families, the school staff will assemble a list of families looking for car pools.

The school staff will assemble the list with the names, addresses, & phone numbers of those interested families who fill out the form below.

We will only provide the list.

It will be up to the families to call each other to arrange the car pool details.

If you are interested, please fill out the form below and return it to Mary Grove in the Main Office by June 30, 2011.

You may pick up a copy of the list in the Main Office anytime after July 11.

**Did your student grow this year??**

Last year's used uniform sale was a great success and we are having another one this summer- beginning June 9 until August 18 from 9 am to 2 pm in Room 107. If you have uniforms you no longer want you can donate them to the school. Just bring them to the Main Office. You can also swap your uniforms that no longer fit for ones that do.

**Health Form Reminders:**

Save yourself time and money....if you take your student to the doctor this summer, remember to take along the health forms (**Health Assessment Part 2 and/or Physician's Medication Order Form and/or Pre-Participation (Sports) Physical**) for next year. These were mailed to you on June 1st.

**PLEASE NOTE:** The Sports Physical Form is a new version this year and is 2 pages- front & back.

Worthy of mentioning: **the Health Assessment Part 1 (HA1) and Part 2 forms (HA2)** do not need to be completed every year **UNLESS** the student's health has significantly changed **OR** the student has an ongoing serious medical condition (diabetes, seizure disorder, severe asthma, heart condition). So if you had this form completed last year, you do not need to redo it unless the exceptions apply to your student. I still have several students who do not have this form on file. I will notify the returning students who still need to complete the HA 1 &/or HA2 by email or phone. Of course, all new students will need to complete the HA 1 & HA2.

In contrast- **the Pre-participation Physical (Sports Physical) MUST** be completed each school year for any student who plans to play a sport in high school. One Sports Physical covers the entire school year (Fall/Winter/Spring seasons). Fall practices begin on August 10, and the pre-participation form must be turned in to the Athletic Director before your student may participate.

**The Physician's Medication Order Form (PMOF)** only needs to be completed if the student needs to take medication during the school day. Please note that the State of Maryland considers **ANYTHING** with an active ingredient a medication- that includes Tylenol, Advil, Aleve, cough drops, Neosporin, Visine eye drops. Pretty much **EVERYTHING** needs a PMOF to be administered at school. Students are not permitted to carry or administer medications at school EXCEPT for these two types of emergency medications- inhalers & Epi-pen- and only with the PMOF properly filled out.

If you have any questions concerning these medical forms, please call Mary Grove at 301-739-4266.

**Information Reminders:** Please remember that many basic forms and pieces of information are on the school website. The Summer Reading list and the Fall 2011 Booklist are now located on the Gale Publications page. Also on this page are the updated Uniform Guidelines for your reference as you prepare your student(s) for the next school year.

**Mission Statement**

St. Maria Goretti High School, an archdiocesan high school, provides a coeducational environment committed to Catholic values and traditions. Our college preparatory program emphasizes academic excellence and nurtures the whole person through spiritual and physical development. The uniqueness of each individual is recognized, respected, and affirmed by the school community. Guided by the spirit and example of St. Maria Goretti, our young men and women are prepared to lead lives of service working to shape a just and compassionate society.
