

THE JOHN H. MUNDAY, JR. MEMORIAL SCHOLARSHIP FUND

John H. Munday, Jr.

In August of 2015, the Goretto Family said goodbye to John Munday, our longtime science teacher and friend. Mr. Munday taught Chemistry and Physics at Goretto for 39 years. He was an integral member of the community, not only through his involvement with the sciences but also in recognizing students for academic excellence, and in helping them to uphold Goretto values. During his time teaching, he helped the Chemistry and Physics program to greatly evolve over the years, and he moderated several different clubs including the National Honor Society, the Science Club, and the Honor Committee.

Scholarship Fund Mission

Mr. Munday was a pillar of the Goretto community. To honor his memory and commitment to helping students prepare for their futures, his family established the **John H. Munday, Jr. Memorial Scholarship Fund**. The mission of this fund is to support young people, and recognize their efforts in pursuing academic excellence, challenging themselves, and giving back to the community.

Scholarship Recipients

Two merit-based scholarships will be awarded on an annual basis: one to an incoming Goretto student and one to a graduating Goretto senior.
