

**St. Maria Goretti High School Bingo Program
2017-2018 School Year Sign-up Form**

Bingo is conducted to help defray the cost of education for all Goretti students. This is done by direct input of profits from the Bingo Program into the general operating fund of the school. Working bingo is open to all students' parents and other willing relatives! While working Bingo is not mandatory, it is a great way for you to connect with other parents!

WORKING BINGO INVOLVES: Selling bingo games and/or tip jars while walking the floor, lifting, garbage disposal, washing tables, and cheerfully dealing with patrons who contribute nearly \$75,000 per year to the education of our children. If you are unable to perform these duties, or unable to commit working a fixed schedule throughout the school year, I must kindly request that you please do not sign up.

Volunteers working Bingo will be eligible for additional financial aid. A separate financial aid pool is being established. Those volunteers working Bingo will be provided with their additional financial aid award amount in September 2017. One half of this award will be applied against your student's tuition account in September 2017 and the other half of the award will be applied in June 2018. Bingo positions and approximate scheduled work times for each position are listed below. Bingo is conducted year round; however, scheduling is done separately for summer months (June, July, and August) and the school year (Sept – May).
