PROGRAM GOAL

The focus of the Chromebook Program at St. Maria Goretti Catholic High School (SMGCHS) is to enhance student education and instruction, infuse critical thinking skills, and prepare students for their future in a world of digital technology and information.

The policies, procedures and information contained in this document apply to Chromebooks and all other technology devices used by students within SMGCHS. Administrators and teachers may set additional requirements for computer use at their school sites or in their classrooms. **The Chromebook and other school-issued devices, gmail and Google accounts, are the property of St. Maria Goretti Catholic High School and, as a result, may be subject to inspection at any time. The student should have NO expectation of privacy of materials found on a Chromebook, their Google Drive or Gmail account. Supplied devices are an educational tool and not intended for personal use such as: gaming, social networking, or high end computing.**

1. GENERAL INFORMATION / OVERVIEW OF SMGCHS CHROMEBOOK USE

A [Chromebook Training Orientation](#) is available to help students become familiar with utilizing their Chromebook.

Chromebooks are intended for use each school day. Therefore, students are responsible for charging the Chromebook battery before the start of each school day, and bringing their Chromebooks to all of their classes, unless specifically instructed not to do so by their teacher.

1.1 Originally Installed Software - G SUITE FOR EDUCATION (GSFE)

- All Chromebooks are supplied with the latest Google Chrome Operating System (OS). The Chrome OS will automatically install updates when the computer is shutdown and restarted. There is no need for virus protection with the Chrome OS. Chrome provides multiple layers of protection against viruses and malware, including data encryption and verified boot flow.
- Chromebooks seamlessly integrate with the G Suite for Education (GSFE) suite of productivity and collaboration tools. This suite includes Google Docs (word processing), Spreadsheets, Presentations, Drawings, Sites, Forms and Classroom. GSFE accounts will be provided by SMGHS.
- Students will create and save their school-related files to Google Drive, which is stored in the cloud. Students can access their Google Drive from any computer that has Internet access.
- Students at SMGCHS are assigned an email through GSFE that is managed by SMGCHS. Students will be able to communicate both with other students, faculty, and staff within the SMGCHS system and also with others outside of the goretto.org domain.

- Email is monitored by SMGCHS and is subject to filtering of inappropriate content. Students are expected to adhere to the rules and regulations for email use as outlined in the Archdiocese of Baltimore Computer Use and Internet Policy and the St. Maria Goretti Computer Use and Internet Policy (CUIP)

1.2 Additional Software Apps and Extensions

- Students will not be able to install additional apps, extensions, and Add-ons on their Chromebooks. These are selected and installed remotely by school administration.

1.3 Home Use

- Students are permitted and encouraged to set up access to home wireless networks and utilize their Chromebooks both on and off school grounds for school-related purposes.
- SMGCHS provides content filtering both on and off campus, however, parents are encouraged to provide a safe environment for students to use their Chromebooks at home for school assignments. For more tips, please see the Parent/Guardian Responsibilities (Appendix B).

IMPORTANT REMINDER:

- All students should recognize and guard their personal and private information. While on the Internet, students shall not reveal personal information, including a home address or phone number, or the address or phone numbers of other students.
- All activity on the Chromebook and SMGCHS-issued email account, whether conducted at school or off site, is subject to search as SMGCHS property.

2. GENERAL INFORMATION / GETTING STARTED

2.1 Receiving Your Chromebook

- Chromebooks will be distributed at the beginning of the school year. Each student will receive an AC charger with their Chromebook. Before a Chromebook will be issued to the student, parents and students must acknowledge that you have read, understand and accept the following online documents:
 - The Archdiocese of Baltimore Computer Use and Internet Policy

- The St. Maria Goretti Catholic High School Computer Use and Internet Policy (CUIP)
- The Chromebook Policy & Procedures Handbook Agreement. See Appendix B.

2.2 Returning Your Chromebook

- Students withdrawing from SMGCHS, by either promotion, graduation, or relocation, must return their Chromebook and all district-purchased accessories to the Assistant Principal on their last day of attendance, or a date, place and time determined by school administration.
- If upon inspection of the device, there is evidence of damage, the student/parent/guardian will be charged a fee for needed repairs, not to exceed the replacement cost of the Chromebook. If there is evidence of abuse, neglect or intentional damage, the student/parent /guardian will be charged the full replacement cost of the Chromebook.
- Failure to turn in the Chromebook and accessories will result in the student/parent/guardian being charged the full replacement cost of the Chromebook. If payment is not received, the Chromebook will be considered stolen property and appropriate actions will be taken.

3. CHROMEBOOK CARE: PROTECTING & STORING YOUR CHROMEBOOK

Students are responsible for the general care of the SMGCHS-owned Chromebook. Chromebooks that are broken, or fail to work properly, must be reported to the Assistant Principal, in accordance with school procedures, as soon as possible. If a loaner Chromebook is needed, one may be issued to the student until their Chromebook can be repaired or replaced. **DO NOT TAKE SMGCHS-OWNED CHROMEBOOKS TO AN OUTSIDE COMPUTER SERVICE FOR ANY TYPE OF REPAIRS.** Students may be selected at random by teachers or administrators to provide their Chromebook for inspection for damages or misuse.

3.1 General Care and Precautions

- The Chromebook battery must be fully charged before the start of each school day.
- Do not remove the SMGCHS logo or asset tag from the Chromebook.
- Vents should not be covered.

- Cords, cables, and removable storage devices must be inserted carefully into the Chromebook.
- Chromebooks should not be used with the power cord plugged in when the cord may be a tripping hazard.
- Chromebooks and chargers should be kept away from food and drinks, small children, and pets.
- Do not bump the Chromebook against lockers, walls, car doors, floors, etc.
- Chromebooks must remain free of any writing, drawing, stickers, or labels that are not the property of SMGCHS.

3.2 Chromebook Screen Care

The Chromebook screen is particularly sensitive and can be damaged if subjected to rough treatment and excessive pressure. The following rules help to protect the screen:

- Do not lift Chromebooks by the screen. When moving a Chromebook, support it from the bottom with the lid closed.
- Clean the screen with a soft, dry anti-static, or micro-fiber cloth. Do not use window cleaner or any type of liquid or water on the Chromebook.
- Do not lean or place anything on top of the Chromebook.
- Do not place anything on the keyboard before closing the lid (e.g., pens, pencils, notebooks).
- Do not place anything near the Chromebook that could put pressure on the screen.
- Do not wedge the Chromebook into an overloaded book-bag or place anything in the carrying case that will press against the cover as this will damage the screen.
- Do not poke the screen.

3.3 Carrying Chromebooks

*The use of an additional protective sleeve or carrying case is highly recommended as it will protect the Chromebook from accidental damage.

- Never carry the Chromebook while the screen is open.
- Do not transport Chromebook with the power cord inserted.

3.4 Storing Your Chromebook

- Chromebooks should never be left in vehicles or a location that is not temperature controlled.
- Chromebooks should be stored safely at all times, especially during extra-curricular events.
- Chromebooks should never be shoved into a locker, placed on the bottom of a pile or wedged into a book bag as this may break the screen.
- Never store your Chromebook in your carry case or backpack with the power cord inserted.
- If an unsupervised Chromebook is found please return it to the technology office immediately.

3.5 Asset Tags and Logos

- All Chromebooks will be labeled with a SMGCHS asset tag and SMGCHS logo. Chromebook asset tags are recorded and associated with student accounts. Chromebooks must have an asset tag and logo on them at all times.
- Asset tags and logos may not be modified or tampered with in any way. Students may be charged or disciplined for tampering with a school asset tag, logo, or turning in a Chromebook without an asset tag or logo.

4. USING YOUR CHROMEBOOK

4.1 Student Responsibilities and Legal Propriety

- Bring fully charged Chromebooks to school every day.

4.2 Managing Your Files and Saving Your Work

- Students will be logging into Saint Maria Goretti Catholic High School's G-Suite for Education domain and saving documents to Google Drive via the Chromebook or any device that has Internet access.
- Storage space will be available on the Chromebook, but since the device has storage limitations it is vital that the storage space be privileged for educational use only.
- Chromebooks and data will NOT be protected or backed up by SMGCHS in cases of resetting or re-imaging. It is the student's responsibility to ensure that their work is backed up and therefore not lost due to mechanical failure or accidental deletion.

- If technical difficulties occur and cannot be repaired, the Chromebook may need to be restored to factory defaults. All student created files stored on an external miniSD card, USB flash drive, or Google Drive will remain intact after the operating system is restored. However, all other data (documents, photos, music) stored on local internal memory of the Chromebook will not be restored.

4.3 Chromebooks Left at Home

- If a student leaves his or her Chromebook at home, he or she will be provided a loaner Chromebook. This Chromebook must be signed out by the student and be returned at the end of the day. He or she is responsible for completing all coursework without extensions or delays. Repeatedly arriving at school without your fully charged Chromebook may result in disciplinary action.

4.4 Chromebook Battery

- Chromebooks must be charged each evening and brought to school each day in a fully charged condition. In cases where use of the Chromebook has caused batteries to drain, students may be able to connect their device to a charging station before school and during lunch or at designated charging stations within the school. If a battery has drained during class because it was not charged properly at home, the student will be provided a loaner Chromebook. The Chromebook must be signed out by the student and returned at the end of the day. He or she is responsible for completing all coursework without extensions or delays.

4.5 Photos, Screensavers, and Background photos

- Images of guns, weapons, pornographic materials, inappropriate language, alcohol, drug, gang related symbols or pictures will result in disciplinary actions. Determination of inappropriate images is entirely at the discretion of the administration.
- Photos / videos require a large amount of storage space on the device. Only photos that are for an educational purpose should be saved to the device. All other photos / videos should not be taken or stored.

4.6 Sound, Music, Games, or Programs

- Sound must be muted at all times unless permission is obtained from the teacher

for instructional purposes.

- Students should have their own personal set of earbuds, which may be used in the classroom at the discretion of teachers.
- Data Storage on the Chromebook is limited and should be managed by the students so that the full educational potential of the Chromebook is available. Any instance of downloading apps that have not been approved by SMGCHS is carefully monitored. Students may be directed by school personnel to remove unauthorized apps, music, or videos. Appropriate disciplinary actions may be taken.

4.7 Printing

- At School: Printing functionality will be available on a limited basis at school and subject to classroom requirements. Teachers will encourage and facilitate the use of digital copies of classwork and homework. Students should not expect and will not be provided printing privileges except in extraordinary circumstances determined by school personnel.
- At Home: The Chromebook does not support a physical printer connection. Instead, students may print to their home printers from their Chromebooks using the Google Cloud Print service. A wireless home network is required for this.

<http://google.com/cloudprint>

Alternatively, GSFE documents can be printed from any other computer, in or out of school, that has a printer connection.

5. SECURITY

5.1 Chromebook Security & Inspection

SMGCHS uses a centralized Chromebook management system, which is utilized to change security settings, update software, add or remove applications, and monitor usage.

- Periodic checks of Chromebooks will be made to ensure that students have not removed required apps / extensions.

5.2 Network Security

- SMGCHS will be responsible for providing network access and content filtering at school.
- SMGCHS makes no guarantee that its network will be up and running 100% of the time. In the rare instances that the network is down, SMGCHS will not be responsible for lost or missing data.
- Students will not be penalized if the network is down and a completed assignment cannot be accessed for class projects, presentations, etc., as this type of network outage will affect all students and staff in the school building.
- The school utilizes Internet content filters that are in compliance with the federally mandated Children's Internet Protection Act (CIPA). All Chromebooks will have all Internet activity protected and monitored by SMGCHS. If an educationally valuable site is blocked, students should contact their teachers to request the site be unblocked.

- Restrictions on the network and computers will block certain functions. Any attempt to bypass these restrictions will be seen as a violation of the St. Maria Goretti Catholic High School Computer Use and Internet Policy (CUIP) and appropriate disciplinary action will be taken.

5.3 Privacy

All files stored on the St. Maria Goretti Catholic High School G-Suite For Education accounts

or network are the property of SMGCHS and are subject to regular review and monitoring for responsible use. Internet history and email checks may occur at the discretion of the administration.
