

Dear Parents/Guardians,

I wanted to update you on the status of Fall 2020 Sports. In collaboration with the private athletic associations of Maryland (MIAA & IAAM) of which many other Archdiocese of Baltimore schools are members and under an abundance of caution, we will be postponing Fall Sports at this time. We will reassess the situation later in the Fall. As I have shared, this situation is fluid and all of our decisions will continue to be made with the safety of our students being our main priority.

We fully understand and support the importance of keeping our students engaged both socially and through physical activity. Mr. Blenckstone will work with our coaches to develop plans to make every effort to provide opportunities for doing so whenever possible.

Thank you for your understanding and I will make sure to keep you posted on any updates as they become available.

Thank you.
