

STATE OF THE SCHOOL

On Wednesday, September 30 at 7:00 p.m., we will have a State of the School virtual meeting for all parents and or guardians. At this meeting we'll share facts and figures about the school, including financial information and enrollment trends, and we will together address challenges and embrace the opportunities before us. The sharing of clear and accurate information is essential to the ongoing success of the school, and I invite you to join me virtually at this meeting on September 30.

The meeting link will be emailed to you in the coming weeks.
